## Project Title

This should be precise and meaningful.

\_\_\_\_\_

## Brief Summary

Describe the project for which you are seeking funding in one-half page or less.

## Goals and Objectives

State the overall goals and objectives for undertaking this project even if the project is only one part of a larger goal. Describe how the project relates to the larger goal.

## Project Plan

Applicant's detailed narrative of how the project will be accomplished. The narrative should include the following:

Activities Planned: Describe the specific professional learning activities planned, the timetable for accomplishing these activities, and the participants that will be involved in the professional learning services provided (including leaders, coaches and teachers). All professional learning services need to be delivered within one year of the grant award. This should include the topics and types of services you are targeting from the Topics and Services Descriptions, Sample Pricing PDF resource as well as grade bands or cohorts of teachers and leaders.

Partnerships Involved: If other groups or organizations will be involved in accomplishing your goals, list these groups, and describe what their involvement will be in accomplishing your goals.

Administration and Staffing: Identify at least one person who will be responsible for implementing and project managing the grant program and coordinating with BetterLesson.

## Project Timetable
