

Teachership

Improve Student Achievement

CLASSROOM MANAGEMENT

Outcome: I develop routines and procedures that structure an efficient, student-led classroom.

CULTURE FOR LEARNING

Outcome: I cultivate a classroom culture that promotes a student-centered learning environment.

INSTRUCTIONAL DESIGN

Outcome: I design learning experiences that support students to meet learning targets.

INSTRUCTIONAL DELIVERY

Outcome: I vary methods of instructional delivery and tasks to promote student engagement.

FAMILY ENGAGEMENT

Outcome: I connect with families to build relationships that promote student learning.

Teachership - Year 1

Support your teachers and improve student achievement. Our learning plans, created from in-person, virtual, group, and individual learning experiences, empower new teachers to become high quality educators.
